FOR IMMEDIATE RELEASE

Two Oklahoma City Office/Warehouse Buildings Sell

GMH Capital Partners represented the owner in the sale of two Office/Warehouse buildings located in Oklahoma City, Ok.

Newtown Square, Pa.—September 5, 2007—Today GMH Capital Partners announced that it represented Fair Oak LLC in the sale of the Greenfield Service Center located in Oklahoma City, OK to Forester Properties, a California based private investment group. The Property contained 75,843 square feet of net rentable area in two buildings and was 69% occupied at the time of sale.

Bill Tourtellotte and Shawn Lubic of GMH Capital Partners arranged the sale on behalf of Fair Oak. Greenfield Service Center was purchased by Forester Properties of Los Angeles, California. The purchase price was equal to \$3,800,000 or \$50.10 per square foot.

According to GMH's Bill Tourtellotte, despite the relatively small deal size, they witnessed an intense level of competition. There were 14 offers and several high quality finalists were in the mix. There was representation from regional and national players. Previously, the property had been owned by an institution, but by itself this property is far better suited for a smaller entrepreneurial player. There is a substantial opportunity for upside through lease up of vacant space and rent growth as well as through various capital enhancements. The buyer, Forester Properties is a new entrant to this local market, but has shown in many other markets that it can efficiently achieve these goals.
